## Intro

### Verse 1

You unravel me with a melody  
You surround me with a song  
Of deliverance from my enemies  
'Til all my fears are gone

### Chorus

I'm no longer a slave to fear  
I am a child of God

### Verse 2

From my mother's womb  
You have chosen me  
Love has called my name  
I've been born again into a family  
Your blood flows through my veins

## Interlude

### Bridge

You split the sea, so I could walk right through it  
My fears are drowned in perfect love  
You rescued me and I will stand and sing  
I am a child of God
