Tempo: 74 | Key: E

Intro

Verse 1

You unravel me with a melody
You surround me with a song
Of deliverance from my enemies
'Til all my fears are gone

Chorus

I'm no longer a slave to fear
I am a child of God

Verse 2

From my mother's womb
You have chosen me
Love has called my name
I've been born again into a family
Your blood flows through my veins

Interlude

Bridge

You split the sea, so I could walk right through it
My fears are drowned in perfect love
You rescued me and I will stand and sing
I am a child of God
